

Update on COVID Guidelines

The latest CDC and PA Secretary of Health Guidance states that fully vaccinated individuals can resume activities that they did prior to the pandemic without wearing a mask.

Effective immediately, Sullivan County Library will adopt this guidance – vaccinated individuals do not have to wear a mask while in the library.

In general, people are considered fully vaccinated:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine.

If you don't meet these requirements, regardless of your age, you are NOT fully vaccinated. Keep taking all precautions until you are fully vaccinated or until new guidance is issued by the Library.

Please wear a mask if you are not fully vaccinated. You can also request that library staff wear a mask when assisting you at the Library.
